3.3.10 The Fund shall not buy its own unit(s).

3.4 Investment Approach and Risk Control

A top down and bottom up approach may adopt the following investment approaches and risk control measures, namely:

- 3.4.1 Investments will be pursued in selected sectors based on the analysis of business cycles, regulatory reforms, competitive advantage, etc.
- 3.4.2 Selective stock picking will be done from the selected sectors.
- 3.4.3 The Asset Management Company in selecting scripts will focus on the Fundamentals of the business, the industry structure, the quality of management, sensitivity to economic factors, the financial strength of the company and key earnings drivers.
- 3.4.4 In addition, the Asset Management Company will study the macro-economic conditions, including the political, economic environment and factors affecting liquidity and interest rates.
- 3.4.5 Since disciplined investing requires risk management, the Asset Management Company would incorporate adequate safeguards for controlling risks in the portfolio construction process.
- 3.4.6 Risk will also be reduced through adequate diversification of the portfolio. Diversification will be achieved by spreading the investments over a range of industries / sectors.

3.5 Valuation Policy

- 3.5.1 For listed securities, the closing market price on the stock exchanges on the date of valuation shall form the basis of any calculation of Net Asset Value of such securities in the portfolio of the Fund.
- 3.5.2 For securitized debts, debentures, margin or fixed deposits, the accrued interest on such instruments on the date of valuation shall be taken into account in any calculation of Net Asset Value of such securities in the portfolio of the Fund.

- 3.5.3 The fund shall fix the valuation method for the Scheme in compliance with the International Financial Reporting Standards (IFRSs) and subject to the prior approval of the Commission.
- 3.5.4 The Fund shall follow the method approved by the Commission for valuation of the non-listed investment, if any, and the Asset Management Company and the Trustee shall periodically review the non-listed investment, if any, and the Trustee shall periodically review the value of such investments. The auditors shall comment in the annual report of the Scheme of the Fund.
- 3.5.5 The valuation of listed securities not traded within previous one month will be made based on their reasonable value by the Asset Management Company and approved by the Trustee and commented upon by the auditors in the Annual Report of the Scheme of the Mutual Fund but shall not be more than the intrinsic value of the securities.
- 3.5.6 The valuation of non-listed securities will be made by the Asset Management Company in compliance with IFRSs and other securities regulations to be approved by the Trustee and commented upon by the Auditors in the annual report of the Scheme.
- 3.5.7 Once non-listed securities are valued, the valued amount will be considered for the purpose of valuing the Fund's assets in any interval of time until the securities are further revalued by the Asset Management Company.
- 3.5.8 Asset Management Company and Trustee will value the non-listed securities at least once in every three months.
- 3.5.9 In case of deferred expenses, accrued expenses for the period will be taken into account for determining total liabilities.

3.6 Net Asset Value (NAV) calculation

3.6.1 The Fund will use the following formula to derive NAV per unit:

$$\text{Total NAV} = V_A - L_T$$

$$\text{NAV per unit} = \text{Total NAV} / \text{No. of units outstanding}$$

V_A = Value of all securities in vault + Value of all securities placed in lien + Cash in hand and at bank + Value of all
