3.5 Valuation Policy

- 3.5.1 For listed securities, the closing market price on the stock exchanges on the date of valuation shall form the basis of any calculation of Net Asset Value of such securities in the portfolio of the Fund.
- 3.5.2 At initial recognition, an Asset Management Company shall measure a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Likewise, an AMC shall recognize a sale of a financial asset at net realized value, that is, the selling price net of transaction costs.
- 3.5.3 The Asset Management Company shall recognize a financial asset or a financial liability in its statement of financial position when, and only when, the company becomes a party to the contractual provisions of the financial instrument. At initial recognition, a company shall measure a financial asset or a financial liability at its fair value plus (or minus) transaction costs that are directly attributable to the acquisition (or issue) of the financial asset or financial liability.
- 3.5.4 After initial recognition of a financial asset, an Asset Management Company shall classify, subject to the approval of the Commission, the financial asset as subsequently measured at fair value through profit or loss, fair value through other comprehensive income, or amortized cost on the basis of both:
- a) the company's business model for managing financial assets; and
 - b) the contractual cash flow characteristics of the financial assets
- 3.5.5 An AMC shall have the option, at initial recognition, to irrevocably designate a financial asset and a financial liability to be measured at fair value through profit or loss.
- 3.5.6 After initial recognition, that is, at subsequent balance sheet dates, an AMC shall measure a financial asset at fair value through profit or loss, fair value through other comprehensive income or amortized costs and in compliance with provisions of IFRSs.
- 3.5.7 After initial recognition of a financial liability, an AMC shall classify and measure, subject to the approval of the Commission, all financial liabilities at fair value through profit or loss, or amortized costs and comply with provisions of IFRSs. An AMC shall have the option, at

initial recognition, to irrevocably designate a financial liability to be measured at fair value through profit or loss.

3.5.8 A gain or loss on a financial asset or financial liability that is measured at fair value shall be recognized in profit or loss unless:

- a) it is an investment in an equity instrument and the AMC has elected present to present gains and losses on that investment in other comprehensive income;
- b) it is a financial asset measured at fair value through other comprehensive income;
- c) it is a financial liability designated as at fair value through profit or loss but the entity is required to present the effects of changes in the liability's credit risk in other comprehensive income. In that case, the remainder amount of change in the fair value shall be presented in profit or loss.

3.5.9 At initial recognition, an AMC may elect to present in other comprehensive income subsequent changes in the fair value of an investment in an equity instrument which is not held for trading. The AMC shall however recognize in profit or loss any dividends from investments in equity instruments that are not held for trading.

3.5.10 A gain or loss on a financial asset measured at fair value through other comprehensive income shall be recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses.

3.5.11 Adequate disclosure shall be made on the valuation of investment in securities and other financial instruments in both the interim and annual financial statements. Trustee shall not approve any financial statements without adequate disclosure of accounting policies as to the fair valuation of investments in securities:

3.5.12 Independent external auditor shall give opinion as to the fair value of investments in securities and/or financial instruments of the Fund. The external auditor shall specifically comment on assumptions and inputs used for the valuation of investments in unlisted securities of the Fund.

3.6 Accounting and Reporting for Provision for Diminution (or Appreciation) in Fair Value of Investments in Financial Assets

- 3.6.1 After the initial recognition of a financial asset, an Asset Management Company shall make provision for diminution in the fair value of investments in securities of a mutual fund whenever the fair value of a security is less than its acquisition cost. At subsequent balance sheet dates, if the fair value of the financial asset further decreases, a new provision to that extent shall accrue with respect to that particular financial asset. On the other hand, if the fair value rises since the previous balance sheet date but remains below the acquisition costs of the financial asset, a reversal of past provision to the extent of the rise shall be made and added to the earnings for the period of the Fund.
- 3.6.2 Investments in financial assets shall be reported at fair value, not at acquisition costs, in the statement of financial position of a mutual fund.
- 3.6.3 If the fair value of investments in a security exceeds the acquisition cost, the excess of the fair value over the acquisition cost shall be recognized as 'other comprehensive income,' not to be offset against aggregate provision for diminution in the fair value of investments in other securities.
- 3.6.4 Other comprehensive income shall be reported as a part of the unit holders' equity of the Mutual Fund.
- 3.6.5 Any financial asset, which is not actively trading in any organized stock exchange, shall be classified as a "non-performing financial asset" if the issuer of the security fails to pay a return, either a dividend or an interest income, to the Asset Management Company in consecutive two financial years.
- 3.6.6 The fair value of a 'non-performing financial asset shall be done following International Financial Reporting Standards (IFRSs), supplemented by a full disclosure of inputs and methods of the valuation, and be subject to the approval of the Trustee of the Fund.
- 3.6.7 The external auditor shall comment on the fair valuation of investments in financial assets which are either unlisted or not actively trading in a stock exchange and on the quality of accompanying disclosure on investments in financial assets.

3.7 Accounting for Net Asset Value per Unit of the Fund and Fair Valuation of Financial Instruments

- 3.7.1 An Asset Management Company shall calculate Net Asset Value (NAV) per unit of a mutual fund at fair value on a weekly basis and be disclosed in the manner specified by the Commission.
- 3.7.2 The Net Asset Value of a Fund shall be equal to the fair value of identifiable assets minus the fair value of liabilities of the Fund. Net asset Value per unit shall be calculated by dividing the Net Asset Value by units outstanding of the Fund at the measurement date.
- 3.7.3 An asset is identifiable if it either:
- a) is separable, i.e., capable of being separated or divided from the entity, or sold, transferred, licensed, rented, or exchanged, either individually or together with a related contract, identifiable asset or liability, regardless of whether the entity intends to do so; or
 - b) arises from contractual or other rights, regardless of whether those rights are transferable or separable from the entity or from other rights and obligations.
- 3.7.4 Identifiable assets may include intangibles including monetary assets without physical substance but shall exclude fictitious assets such as unamortized issue costs, preliminary costs, and/or advances, deposits and prepayments which embody no future economic benefits and cash flows to the company.
- 3.7.5 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement shall be done for a particular asset or liability. A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or in the absence of the principal market, in the most advantageous market for the asset or liability.
- 3.7.6 In order to do fair valuation of assets and liabilities of a Fund, the Asset Management Company shall strictly comply with accounting recognition and measurement principles and disclosure provisions of International Financial Reporting Standards (IFRSs) particularly including that of IFRS 13 (Fair Value Measurement).

3.8 Measurement of Earnings and Payment of Dividends

- 3.8.1 The accounting year of the Fund shall be 1st July to 30th June;
- 3.8.2 The Fund shall distribute minimum **70%** (seventy percent), or as may be determined by the বিনিয়োগ from time to time, of the annual net income of the Fund as dividend at the end of each accounting period after making provision for bad and doubtful investments. The Fund shall create a dividend equalization reserve by appropriation from the income of the Scheme as applicable;
- 3.8.3 Net income for a financial period of a mutual fund shall be measured following International Financial Reporting Standards (IFRSs) and after incorporating all valid income, eligible expenses as well as provision for diminution in the fair value of investments in securities and other financial assets;
